Re: 26 S.C. Code Ann. Regs. 103-607 (Supp. 2011)
Telephone Utilities Providing Retail Residential Local Exchange Services

Dear Director Hipp:

With regards to regulation 26 S.C. Code Ann. Regs. 103-607, and the supply of a bond by all telephone utilities providing retail residential local exchange service in South Carolina who have not invested at least five million dollars in telecommunication facilities, Aero Communications, LLC confirms to not provide residential local exchange service in South Carolina. If residential service is provided in the future, then a bond will be submitted to the South Carolina Office of Regulatory Staff at that time.

Please contact me via e-mail or phone if anything further is needed.

Sincerely,

Emily P Cahen
